Mike Vasquez is a former Youth Pastor and currently a Missions Director at an Assemblies of God church in Southern California. His goal is to expose the local church to the possibilities missions work offers, while mentoring and disciplining his teams along the way. He has traveled the world sharing the Gospel. At age 15, Mike visited the Dominican Republic on his first mission trip. The experience changed his life. That trip helped jump-start his pursuit of God. The discipleship taught him how to balance living in this challenging world, while walking out God's calling in his life as a young person.

His love for the work of God in missions offers a unique perspective when sharing the Gospel. The many cultures, experiences, and people he has interacted with has shown him that God's love goes far beyond any barrier we can imagine. He continues to walk in that calling alongside his wife, two daughters and dog Hercules.

SIERAH PALAFOX

Sierah Palafox is currently serving as the Youth pastor at Life Point Church in San Diego (La Mesa) under Pastor Tony Orlando. She has been in youth ministry for almost 10 years and knows that God has amazing things for the youth of this generation. If she seems familiar, it's because she has been frequenting Living Word for decades with her grandparents Rufus and Dora Palafox

FOREVER ENVOY

NELLIE JOHNSON

Nellie has had an altruistic heart her entire life - making serving in church and now in missions a perfect match! After being radically saved at 28 she became an avid missions and missionary supporter, and she first felt the call to missions herself in September 2017, with a specific calling to "go where no one else wanted to go". She was appointed as a Missionary Associate with Live Dead India in May 2020 and earned her Minister's License with the Assemblies of God in August 2020.

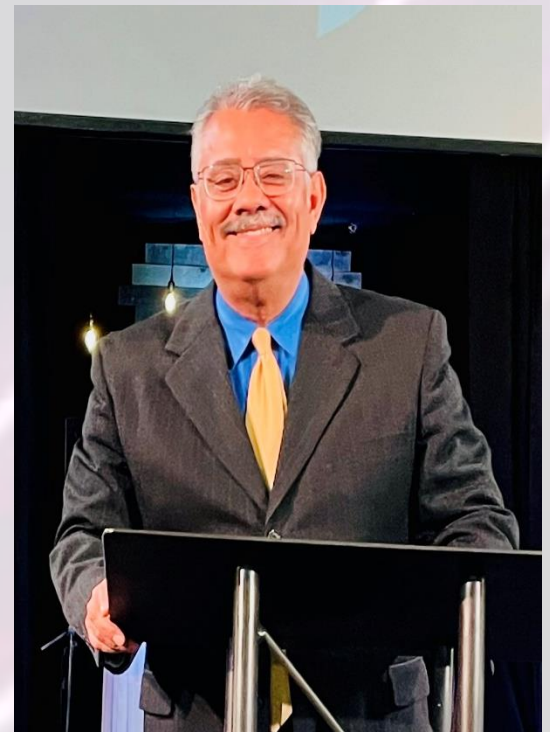

Having grown up in the Foster Care system, Nellie has a powerful testimony of overcoming abuse and exploitation through God's redemptive grace. She is an articulate teacher/preacher who loves to help people find hope and wholeness through a foundational understanding of the Bible and the truths that lie within.
